Power Plant
Approval 30379-D03-2025

Appendix 2 to Decision 30379-D01-2025	November 24, 2025
Athill Tech Solution Ltd. 5.545-Megawatt Natural Gas-Fired Power Plant (Phase 2)	Proceeding 30379 Application 30379-A001

Athill Tech Solution Ltd., pursuant to Approval 30144-D02-2025,[1] has approval to construct and operate a 9.97-megawatt (MW) natural gas-fired power plant, located approximately 10 kilometres southwest of the village of Carbon. The construction completion date of the power plant was stipulated to be on or before November 30, 2025.

Athill, by Application 30379-A001, registered on October 21, 2025, applied to the Alberta Utilities Commission to amend the power plant approval into two separate phases (Phase 1 and Phase 2) and to extend the completion date of Phase 2 of the power plant to March 31, 2026.

The Commission, pursuant to sections 11 and 19 of the *Hydro and Electric Energy Act*, approved the application in Decision 30144-D01-2025,[2] and granted to Athill an approval to construct and operate Phase 2 of the power plant, subject to the provisions of *Hydro and Electric Energy Act* and the *Alberta Utilities Commission Act*, any regulations made under the acts, any orders under the acts, the Commission rules made pursuant to the *Alberta Utilities Commission Act*, and the following terms and conditions:

1. The power plant (Phase 2) shall be located in the southeast quarter of Section 24, Township 28, Range 24, west of the Fourth Meridian, as further described in Application 28631-A001.

2. The power plant (Phase 2) shall consist of three 1.475-MW natural gas-fired generators and one 1.12-MW natural gas-fired generator for a total generating capability of 5.545 MW and other equipment as further described in applications 28631-A001 and 30379-A001.

3. Unless otherwise authorized by the Commission, construction of the power plant (Phase 2) shall be completed by March 31, 2026.

4. Athill shall notify the Commission within 30 days of completing the power plant (Phase 2).

[1] Power Plant Approval 30144-D02-2025, Proceeding 30144, Application 30144-A001, July 23, 2025.
[2] Decision 30379-D01-2025: Athill Tech Solution Ltd. – 9.97-Megawatt Natural Gas-Fired Power Plant Amendment, Proceeding 30379, Application 30379-A001, November 24, 2025.

5. Athill shall obtain Commission approval prior to making any substantive changes to the power plant (Phase 2) or substantially varying the design or specifications of the power plant (Phase 2) from what was stated in the application or what the Commission has approved.

6. This approval is not transferable unless approved by the Commission.

Approval 30144-D02-2025 is rescinded.

The Commission may cancel or suspend this approval, in whole or in part, in accordance with Section 41 of the *Hydro and Electric Energy Act* or may review this approval, in whole or in part, upon its own motion or upon an application by an interested party, in accordance with Section 10 of the *Alberta Utilities Commission Act*.

The Commission may, no later than 60 days from the date of this approval and without notice, correct typographical, spelling and calculation errors and other similar types of errors and post the corrected approval on its website.
